

Canoe & Kayak Barn

The Barn is at the Pomona Club in Spring Valley, NY. AMC's Canoe & Kayak Committee (CKC) of the New York-North Jersey Chapter stores most of its canoeing, kayaking, and group camping equipment. If you need to rent a boat from the CKC, this is usually where you will get it. Ask the trip leader for the combination to the padlock. The leader may also ask you to pick up other equipment needed for the trip, such as cook kits or a tarp. Take only the equipment you have been asked to get, since other equipment may be required for another trip.

Please update [AMC CKC NY-NoNJ Equipment Rental Form](#) when taking ANYTHING out of the Barn.

The Barn is located near exit twelve of the Palisades Parkway. The barn is just 42 miles / ~1 hour from Times Square, NYC.
